COMMENTS INVITED ON APPLICATION OF CABLE & WIRELESS USA, INC. (DEBTOR-IN-POSSESSION) TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 04-49
Comp. Pol. File No. 676

Comments Due: March 22, 2004

Section 214 Application

Applicant: Cable & Wireless USA, Inc. (Debtor-in-Possession)

On February 26, 2004, Cable & Wireless USA, Inc. (Debtor-in-Possession) (C&W DIP or Applicant) located at 11700 Plaza America Drive, Reston, Virginia 20190 filed an application with the Federal Communications Commission (FCC or Commission), requesting authority under section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of U.S. domestic interstate managed data and private line services to customers in certain geographic areas.

The application states that the Applicant is evaluating its service offerings and consolidating its network to focus on Hosting and IP Solutions. As part of this effort, C&W DIP seeks authority to discontinue the provision of certain U.S. domestic interstate managed data and private line services in California, Connecticut, Delaware, Florida, Georgia, Illinois, Massachusetts, Maryland, New Hampshire, New Jersey, New York, North Carolina, Oklahoma, Pennsylvania, Tennessee, Texas, Virginia, and the District of Columbia. The application indicates that C&W DIP is non-dominant with respect to these services. C&W DIP states that it plans to discontinue these services on April 8, 2004. C&W DIP also indicates that, in accordance with the requirements of section 63.71(a) of the Commission's rules, it notified all affected customers of the proposed discontinuance by sending personalized letters between December 26, 2003 and February 23, 2004.

In accordance with section 63.71(c) of the Commission's rules, the application will be deemed to be automatically granted on the thirty-first (31st) day after the release date of this notice, unless the Commission has notified the Applicant that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), absent further Commission action, C&W DIP may not terminate service to the customers affected by this application until

April 8, 2004. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit-but-disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **March 22, 2004**. Such comments should refer to **WC Docket No. 04-49 and Comp. Pol. File No. 676**.
